Abs N/A

Agenda items:

What will our poster competition look like?

What we will do for our assembly

Active Day?

Minutes:

(what was discussed)

What will our poster competition look like?

The council members decided to narrow down the list of themes within the poster to 4 topics:

Fair play, include everyone, healthy snacks and respecting equipment.

They decided on a general poster with all themes rather than one poster per theme.

They decided on the rules for the competition: must include pictures and phrases (as above), bold, clear writing and colourful pictures, must include all four themes.

Competition is optional.

Entries must be handed in to the class teacher by Feb 16.

Teacher will narrow down to top 4 per class.

Council members wrote notes in their books to feed information back to their classes.

What we will do for our assembly

Council members will give a brief description of our roles and aims.

It was decided that instead of introducing the competition in assembly the council will announce the winners.

Active Day?

It was decided that this would be addressed in a later meeting as it would fall in the summer term.

Actions following meeting:

Council members to feed back to their classes regarding our poster competition.

The council will decide on the winners once the competition concludes.

MK and JS to summarise competition details to be sent to each teacher.

Any other queries:

Time for PS2 and PS3 assembly.

Date of next meeting:

6th March 2023
