

## Parent Overview of apps and software

Hwb is an all Wales learning platform. It is where pupils will log in to access their Google Classroom (GC) and Just2easy (J2e) classrooms, as well as a range of learning resources such as Office 365, Flipgrid, Adobe Spark and Encyclopaedia Britannica.

Each pupil has their own One Drive and G Drive for storage.

Doodle Maths is a digital learning platform/app tailored to your child, that is most beneficial when used for 10 minutes daily. It also includes the Doodle tables app.

Reading Planet is an online reading scheme. Children have a selection of stage appropriate books to read and tasks to complete.

Read Theory is a reading comprehension platform perfect for reinforcing higher order reading skills. It regularly adapts to the ability level of the child as they make progress through the tasks.

Spelling Shed is a school spelling scheme which develops spelling skills through games. Pupils log in to use games and spelling rules that are assigned to them, to develop as confident spellers.

Big Maths is a school-based resource only.

My Maths is an interactive maths learning website/app that will be used for home learning. Tasks are set for pupils by teachers but, families can also view and use ability appropriate activities.
