RE: SUN SAFETY

Dear Parents / Carers,

As the weather begins to warm up, I would like to take a moment to remind everyone about the importance of sun safety.

We kindly ask that you apply sun cream to your child before they come to school each morning when appropriate. This helps ensure they are protected during outdoor activities, especially at break and lunchtime. There are once a day creams that may be useful.

If you feel your child may need to reapply sun cream during the school day, please support them in practising how to do this independently at home as it is not really feasible for staff to be able to support individual children with application directly. They are welcome to bring a clearly labelled bottle of sun cream to keep with their belongings, and staff will remind them when appropriate.

We also encourage children to bring a hat and a water bottle each day to help them stay cool and hydrated.

Here is a link to our [Sun Protection Policy](#) and additional resources are [available here](#) that you may wish to use to support your child.

Thank you for your support in helping us keep all children safe and comfortable during the warmer months.

Sports Day

Our planned date for Sports Day is Wednesday 10th June. The back-up date is Thursday 18th June.

Kind Regards

Kevin Stroud
Headteacher
